

## Clubs at Akaal Primary School

At Akaal we pride ourselves on offering a wide range of after-school clubs to our children. The clubs are open to all children and all year groups and run 5 days a week. Our clubs run all year long and change frequently to cater for all children's interests.

Staff members lead clubs as well as outside providers meaning that the children can have access to a board spectrum of expertise and staff get to share what they are good at with the children adding to the family ethos of the school.
